

WORKING

TOGETHER

Hurricane Ida Disaster Relief Mobilization

Our mission is to assist physically, emotionally, mentally and spiritually. We will be front and center in the midst of the most devastating moment many of our neighbors have ever faced. Many will have lost everything. They will be in shock, grieving, panicking and anywhere in between as they go through the range of emotions. Our mission is to relieve them as much as possible. We will be mucking out homes. (Removal of damaged property and materials.) This will include everything from furniture to flooring, drywall, cabinets, etc. We will be participating in debris removal, road clearing, driveway clearing as needed. Your assistance is greatly appreciated, and your reward is eternal!

All materials and property removed will be under the agreement of the homeowner for liability reasons. We have liability release forms available for volunteers to get signed by homeowners.

Volunteer and/or donate at: cftexas.org

Craftsmen for Christ Texas is a division of Alvin Community Outreach 501c3 tax-exempt/charitable/non-profit organization. EID: 46-4625697
